

The Heart of a Healthy Community

DR. POTTER JOINS SURGERY AT OGH

In June we were absolutely thrilled to welcome a significant addition to our specialized care services here at Ochiltree General Hospital! We extended a warm welcome to Dr. Potter, a highly skilled Orthopedic Surgeon, who brought exceptional expertise and a real dedication to serving our community in the Panhandle.

Dr. Potter came to us with some impressive training under his belt, including advanced work at prestigious places like the Mayo Clinic and a trauma fellowship at R.A. Cowley Shock Trauma in Baltimore, MD. He had extensive experience, even helping to set up a trauma hospital in South Dakota. What truly stood out was his patient care philosophy: he treated every patient with the same dedication he'd want for himself and his family, always striving to say, "I did all I could." This is a big step forward for orthopedic care in Perryton with Dr. Potter becoming available for weekly visits from Amarillo, alongside our continued monthly visits from Dr. Parker, we significantly expanded access to comprehensive bone, joint, and muscle health services. This combined expertise meant more consistent, top-tier care

Our CEO, Kelly Judice, was just as excited as we were, sharing: "We are so pleased that Dr. Potter is joining our team. His advanced training and expertise will really enhance the services we can offer our community by adding an additional orthopedic care line right here at our facility. Please join me in extending a warm welcome to Dr. Potter as he begins this exciting new chapter with us!"

When he's not at the hospital, Dr. Potter, a former state champion soccer player and TCU alum, loves to share his passion for soccer with his wife, Anne (who's a proud Amarillo native, also a former soccer player, and a business owner!). They are blessed with three wonderful children whom he enjoys coaching in soccer, and they are active members of First Baptist Church Amarillo. For fun, he also enjoys hunting, fly-fishing, snow-skiing, and restoring classic cars.

Patients are able to schedule appointments with Dr. Potter every Wednesday at Ochiltree General Hospital. If you are experiencing orthopedic pain or have concerns regarding your bone and joint health, we encourage you to reach out to schedule a consultation with either Dr. Potter or Dr. Parker. To schedule an appointment, please call 806-648-7126 or visit ochiltreehospital.com.

OGH HEALTHCARE FOUNDATION DONATION

We were thrilled to finalize the major renovations to our Respiratory Therapy and Radiology areas of the hospital! These vital upgrades were made possible by a donation of \$100,000 from the Harrington Foundation and a \$500,000 donation from the generous OGH Healthcare Foundation. This significant investment transformed these departments, allowing us to provide even more advanced and comfortable care to our patients. We remain profoundly grateful to the Foundation for their unwavering commitment to updating our hospital and supporting our community's health.

EMPLOYEE OF THE MONTH

Each month OGH recognizes one outstanding staff member for their dedication to providing quality healthcare in our community. Deirdre Floyd, APRN, was chosen as Employee of the Month for June. Deirdre is a Nurse Practitioner at Perryton Health Center.

CASINO NIGHT AT THE SEASONS

The Seasons Assisted Living hosted a fun Casino Night for our residents, providing an enjoyable evening of games and fellowship. Residents had the chance to participate in various activities, including horse racing, a human slot machine, and classic table games. Everyone had a pleasant time, enjoying the friendly competition and lively atmosphere. This event was made even better by the help of our Ochiltree General Hospital employees, who volunteered their time to assist with games and connect with our residents.

WAY TO GO BARBARA!

Last month, our team celebrated a huge accomplishment for Barbara Ledbetter, our dedicated Surgery Manager! She achieved her Registered Nurse Assistant at Surgery - Certified (RNAS-C) credential from the National Assistant at Surgery Certification. This was truly an incredible testament to her advanced expertise and commitment to surgical excellence. We are so proud and fortunate to have her leading our surgery team at Ochiltree General Hospital!

KELLY'S CORNER:

Dr. Siewert will be retiring from his clinic practice but will continue to be a valued member of the OGH team. Throughout his career, he has demonstrated unwavering compassion and a deep commitment to serving our community. We are grateful for his continued dedication and contributions as a valued member of our medical staff.
