## EMPLOYEE OF THE YEAR

YOUR COWORKERS THINK YOU ROCK!

**AUSTIN DEWITT**

Employee of the Year 2022  
Engineering

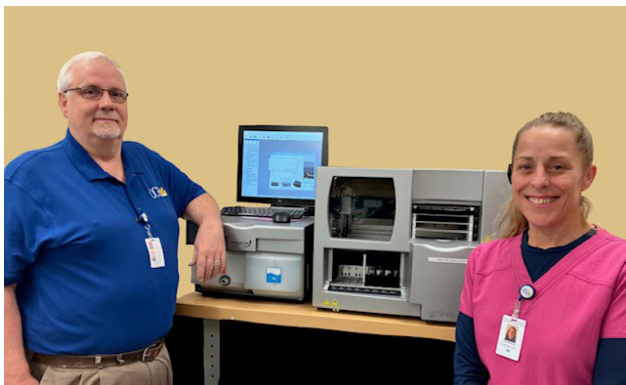

At the Ochiltree Hospital District Christmas Party, the Employee of the Month Committee announced 2022's Employee of the Year. Austin DeWitt was voted by his peers as this year's Employee of the Year.

Each month employees are nominated by co-workers for their efforts within their roles at OGH. Austin was nominated as Employee of the Month for his extra efforts during the snow storms in early '22. His co-workers noted that Austin was getting to work early and staying late to clear the snow for access to the hospital. The employee who is named as EOY receives an engraved pin, certificate of recognition, picture, \$300.00 cash, and designated parking for the year.

DeWitt was humble in his response to how he felt being recognized as Employee of the Year, he said, "It's pretty cool, if only people would stay out of my parking spot!"

## LABORATORY FEATURED IN CUSTOMER SPOTLIGHT

Tony Black and Shawna Merriman

Immucor, a leading provider of transfusion and transplantation diagnostic products recently worked closely with Tony Black, OGH Laboratory Director to feature OGH's Laboratory in a customer spotlight. The customer spotlight highlights OGH Lab's commitment to providing people of Ochiltree County and surrounding areas test results in an efficient and prompt manner, no matter the stage of life or need.
