

The Heart of a Healthy Community

CONSTRUCTION CONTINUES AT OGH

Hospital Administration, OGH Board Members, Providers and Staff join for a ground breaking to begin construction on Perryton Health Center.

The recent completion of OGH's Surgical Center kickstarts several exciting construction projects within the District. The most noticeable change for the public will be the construction of new parking areas on the south side of the hospital. Just south of the tree row, a new parking lot intended for employee parking has begun. The parking area will be in three phases; phase one (pink) will include the parking area for the doctors, and a portion of the general employee parking; phase two (green) includes moving the helipad and a second section for employees and patient parking. The final phase (blue) will be the area where patients park in front of the hospital. Inside the hospital, the previous surgery area is being converted into a recovery room or PACU (Post Anesthesia Care Unit). The laboratory services at OGH have outgrown their current area and are now expanding down the hall combining the old staff areas for surgery and the ultrasound rooms. We are so excited to grow our hospital and clinic!

CRNA WEEK

Josh Stevenson, CRNA Director

Megan Blasingame, DNP, CRNA

OCH celebrated our two CRNA's or Certified Registered Nurse Anesthetists, Josh Stevenson and Megan Blasingame, DNP. National CRNA Week is celebrated each year from January 23 to January 29th in appreciation of members of the National CRNA, which is an advanced practice nurse which is certified to administer anesthesia in the U.S. Josh and Megan were given gift baskets from the Hospital Administration from locally-owned Watgona Cheese Factory. In addition to their services they provide to the hospital, they also help educate expectant mothers on their options for anesthesia as patients of Ochiltree General Hospital through our New Parent Seminars.

ACTIVITY PROFESSIONALS WEEK

The Seasons Assisted Living Activity Director Julia Buttry was celebrated during Activity Professionals week January 23rd to January 29th. Earlier in the month one of the residents played a practical joke on Marcy Mitchell, Dietary Supervisor, by toilet papering her office. Julia and staff turned it into a game of "Who done it?" and tried uncovering the culprit. Julia is always coming up with fun activities for the residents.

Congratulations to DeWitt Family Practice for being chosen as Perryton Ochiltree Chamber of Commerce Business of the Month for February. DeWitt Family Practice cares for patients of all ages with providers Dr. Blake DeWitt and Advanced Nurse Practitioner Jennifer Tracy.

Each month OGH recognizes one outstanding staff member for their dedication to providing quality healthcare in our community.

Employee of the Month for January is Hayle Hill. Hayle is a Registered Nurse at OGH.

YOUR COWORKERS THINK YOU ROCK!

HAYLE HILL

Employee of the Month
JANUARY 2023 | Nursing

Lunch & Learn Dates:

February 16th- Surgery (Dr. Blasingame)
