

The Heart of a Healthy Community

OGH HOSTS HEALTH FAIR

On October 4th, Ochiltree General Hospital hosted the first Community Health Fair since 2019 at the Perryton EXPO. Participants were welcomed by every department at OGH with booths full of information, giveaways, and conversation. OGH's Laboratory Staff drew 345 lab samples from participants and completed testing by Wednesday afternoon. All results were mailed by Friday. Feedback from the Health Fair was positive and planning is already underway for ways to make the next event even better.

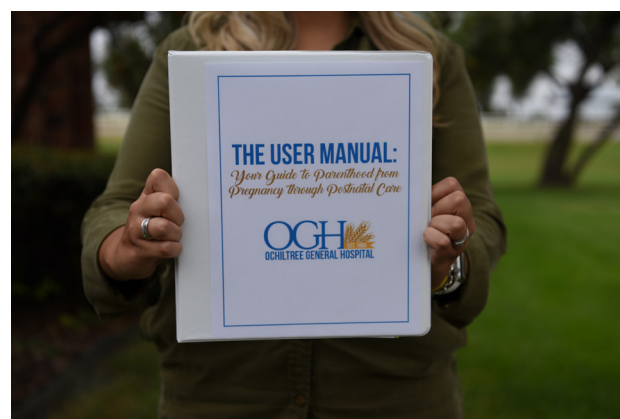

HAPPY HALLOWEEN

NEW PARENT SEMINAR PART 1

Dr. McGaughy and Megan Blasingame, DNP, CRNA kicked off a new series of OGH's New Parent Seminars. Eleven new parents attended the two-hour seminar covering pre-natal care, labor and delivery and obstetric anesthesia. Attendees were given informational packets including all the slides covered in the presentation.

The seminar ran a half hour longer than originally planned because attendees had many questions and discussions after the presentation was over. Dr. McGaughy commented, "That was a great turnout, the biggest we've ever had." In addition to the presentation in English, OGH offers a copy of the presentation in Spanish along with OGH Staff Member, Maggie Flores to translate the information. Part 2 Seminar covers Breastfeeding with Jammy Savage, Breastfeeding Counselor, and post-natal care with Registered Nurse, Callan Godino. Part 2 is scheduled for November 17th 5:30-7:30 PM in the OGH conference room.

THE PINK LADIES WELCOME DR. O'BEIRNE

Dr. Rachel O'Beirne received a warm welcome from all in attendance on Thursday, October 27, 2022. OGH's Auxiliary, "The Pink Ladies", hosted a reception in the OGH Conference Center where they served punch, tea, and a large variety of homemade cookies. The reception lasted a little over an hour. Dr. O'Beirne and her husband, Stephen share a precious 1 year old boy named Adam. He was definitely the star of the party and loved the extra attention and cookies. Dr. O'Beirne will join the Perryton Health Center on Tuesday, November 1st. PHC is now scheduling appointments for Dr. O'Beirne. Please call the clinic at 806-435-7224 if you would like to schedule an appointment. Everyone at OGH would like to thank the Pink Ladies for hosting!
