Congratulations PISD Graduates

Perryton ISD high school graduates recently visited the residents at The Seasons Assisted Living in their caps and gowns as part of a cherished annual tradition. Students visit our facility throughout their time at Perryton ISD, making this walkthrough a deeply special way for our residents and staff to celebrate their accomplishments. Ochiltree General Hospital congratulates all 2026 graduates and wishes them success, which is why our employees were proud to support their ceremony by providing cold bottled water, fans, and first aid. Be sure to visit our Facebook page to view a special video highlighting the local graduates who have ties to our OGH staff.

Free Car Seat Check Event in June

Our Social Services team is hosting a free car seat check to ensure local families are properly securing their children in the appropriate car seats. The event will take place on Monday, June 15th, from 10:00 AM to 2:00 PM in the parking lot at Bartlett's Lumber (2910 S. Main Street), alongside our partners at the Texas Department of Public Safety. Our team will be on-site to ensure your seats are installed safely, and a Spanish-speaking translator will be available to assist families.

Leadership Perryton Graduates

Three of our managers recently completed Leadership Perryton. We are incredibly proud of Housekeeping Supervisor Jenifer Trejo, Dietary Manager Yesenia Herrera, and Chief Nursing Officer Kevelin Cervantes, for their hard work. Their commitment to learning and growing helps us continue to provide the best care for our community.

Lunch & Learn for June: Kidney Health

Casey McGarraugh, PA-C will provide a Lunch & Learn June 18th, at noon at the Senior Citizen Center. This month's featured topic is Kidney Health, offering valuable tips on how to keep your body healthy and functioning at its best. Secure your spot by calling 806-648-7402 or emailing amarrufo@oghtx.com to RSVP.

OGH PULSE

Employee Recognition

Bonita Prince, RN
Nursing

Employee of the Month

Bonita Prince from our nursing team is the Employee of the Month for May! Bonita has shown true teamwork and dedication in her time at OGH. Bonita received two nominations for Employee of the Month, nominated by her peers. Nominations detailed strong work ethic with her picking up extra shifts, working later than originally scheduled and leading with patience and commitment to patient care. Her team members described her as someone they can always count on when it matters most. Congratulations Bonita on being chosen as OGH's May Employee of the Month.

From the Staff

During Hospital Week, our hospital district celebrated an exceptional week filled with appreciation, teamwork, and recognition of the dedicated professionals who make outstanding patient care possible every day. It was a wonderful opportunity to honor our staff's commitment, compassion, and the positive impact they have on our community's health and well-being. On behalf of our District, we are so thankful for all of the people who made this celebration possible.

Kelly Judice, MSHA, BSN, CEO
