## Celebrating Dueling Pianos Event Success

We want to extend a heartfelt thank you to our donors, sponsors, foundation board members, and every attendee who made our "Dueling Pianos" event at Brokenhorn Steakhouse an incredible success. The evening was filled with vibrant energy thanks to our talented entertainment and our speaker Dr. Blake DeWitt. Most importantly, the funds raised are a significant boost for the ER Expansion Project at Ochiltree County Hospital District. While we are still finalizing the exact dollar amount, your generosity has brought us much closer to our ultimate fundraising goal. Thank you for investing in the future of healthcare and emergency services for our community.

## Purchasing Team Receives Supply Chain Excellence Award

Our Purchasing Team, Carmen Bernal and Deisy Chairez, received an award from our partner, Alliant, for their excellence in supply chain management. This honor recognizes their outstanding commitment to national program participation and strategic spend management, specifically highlighting their achievements in contract utilization and volume growth. Most impressively, their hard work led to supply savings of over 10% for our Hospital District.

## Season's Easter Egg Event 2026

Residents at The Seasons Assisted Living recently celebrated our 2nd Annual Easter Egg Hunt, filling the afternoon with laughter and community spirit. It was a joy to see our residents enjoy an afternoon of egg hunting on a beautiful spring day. We are so grateful to everyone who joined us in making this year's event a success.
