Open Enrollment Reminder

Medicare Open Enrollment is happening right now through December 7th, 2026, giving you the opportunity to review your coverage and compare options for next year. Whether you want to switch your Medicare Advantage plan, adjust your Part D prescription coverage, or return to Original Medicare, it is important to ensure your benefits match your current healthcare needs. Even if you are happy with your current plan, taking a moment to review ensures you are getting the best value. Make an appointment today by calling Candie or Maggie at 806-435-3606 to go over your choices.

OGH Home Delivered Meals

While our plans for a new Emergency Services Wing remain a top priority, true community care means meeting our neighbors right where they are today. This giving season during The Panhandle Gives, we are focusing dedicated support on OGH Home Delivered Meals (formerly Meals on Wheels) to ensure our homebound seniors and vulnerable residents receive warm, fresh, daily nutrition. Preparing each meal costs $15.00, but with recipients paying just $3.00, your generosity directly bridges the gap so no one in Perryton goes hungry. When you give online from November 23rd to December 1st, you can choose to direct your gift toward the new ER wing, support daily home-delivered meals, or both.

OGH Health Fair

The Health Fair was a success, serving over 655 community members with free health labs alongside local exhibitors. We strongly encourage everyone who attended to take their lab results to their healthcare provider for follow-up care. Schedule an appointment with our OGH providers by calling 806-435-7224.

OGH Monster Dash A Success

Thanks to our incredible community, the OGH Monster Dash 5K raised around $3,300.00! This success would not have been possible without our dedicated OGH volunteers and staff, our generous t-shirt and gift card sponsors, and everyone who came out to participate. We are so grateful for your support and cannot wait to see you all again at next year's 5K!

Employee Recognition

Reyna Mendoza, RN
CLINICAL IT

Employee of the Month

We are excited to highlight Reyna Mendoza as our Employee of the Month for October! Reyna was described by her peers as a go-getter, a finisher, and someone with the tenacity to get the job done. She faces challenges head-on and doesn't give up when the job isn't easy. Reyna is always ready to lend a hand to her coworkers and is happy to take the lead on a project when needed. She is fun to work with, and her positive attitude is contagious.

From the Staff

Please join me in congratulating our laboratory team on their outstanding work at this year's OGH Health Fair. The team collected samples from more than 600 patients and manually ran and reported every result within four days, all while keeping the lab operating for our patients. The kind of speed and accuracy under pressure takes real dedication, teamwork, and pride in what we do for our community. Thank you all for going above and beyond. Our patients and our hospital are better because of you.
